## Steps for Setup Chatbot

## Steps for Setup Chatbot

The screenshot shows the Dialogflow Essentials interface for configuring an intent named 'Internship-FAQ'. The left sidebar contains navigation options: FAQ-BOT, Intents, Entities, Knowledge, Fulfillment, Integrations, Training, Validation, History, Analytics, Prebuilt Agents, and Small Talk. The main area displays three 'Text Response' blocks, each with a list of numbered responses. The first block has four responses, the second has three, and the third has two. A 'SAVE' button is visible at the top right. The right sidebar shows the 'Agent' configuration, including 'USER SAYS' (Who is eligible for internships?), 'DEFAULT RESPONSE' (You are eligible if you are in your second year or above of an undergraduate program...), 'INTENT' (Internship-FAQ), and 'ACTION' (Not available). A 'DIAGNOSTIC INFO' button is at the bottom right.

**Text Response**

- 1 Students in their 2nd year and above from any undergraduate program are eligible to apply. We welcome applicants from all disciplines."
- 2 Internships are open to students in their second year and above
- 3 You are eligible if you are in your second year or above of an undergraduate program.
- 4 Enter a text response variant

**Text Response**

- 1 The main requirements are being currently enrolled in a relevant degree program and having a basic understanding of the field."
- 2 "No prior experience is necessary, but good communication skills and enthusiasm are important."
- 3 Enter a text response variant

**Text Response**

- 1 It is one month duration internship
- 2 Enter a text response variant

**ADD RESPONSES**

☐ Set this intent as end of conversation

USER SAYS [COPY CURL](#)

Who is eligible for internships?

**DEFAULT RESPONSE**

You are eligible if you are in your second year or above of an undergraduate program.

"No prior experience is necessary, but good communication skills and enthusiasm are important."

It is one month duration internship

**INTENT**

[Internship-FAQ](#)

**ACTION**

Not available

**DIAGNOSTIC INFO**

The screenshot shows the Dialogflow Essentials interface for the 'Intents' section. The left sidebar is the same as the previous screenshot. The main area displays a list of intents with a search bar at the top. The list includes: certificate, Company, Deadline, Default Fallback Intent, Default Welcome Intent, fall-back, Internship-FAQ, and stipend. A 'CREATE INTENT' button is visible at the top right. The right sidebar shows the 'Try it now' input field with a dropdown menu containing the following suggestions: 'Who is eligible for internships?', 'how much duration internship is', 'can i get certificate', 'will i get certificate', and 'Am i eligible for internship'.

- Default Fallback Intent
- Default Welcome Intent
- fall-back
- Internship-FAQ
- stipend

**Try it now**

Who is eligible for internships?

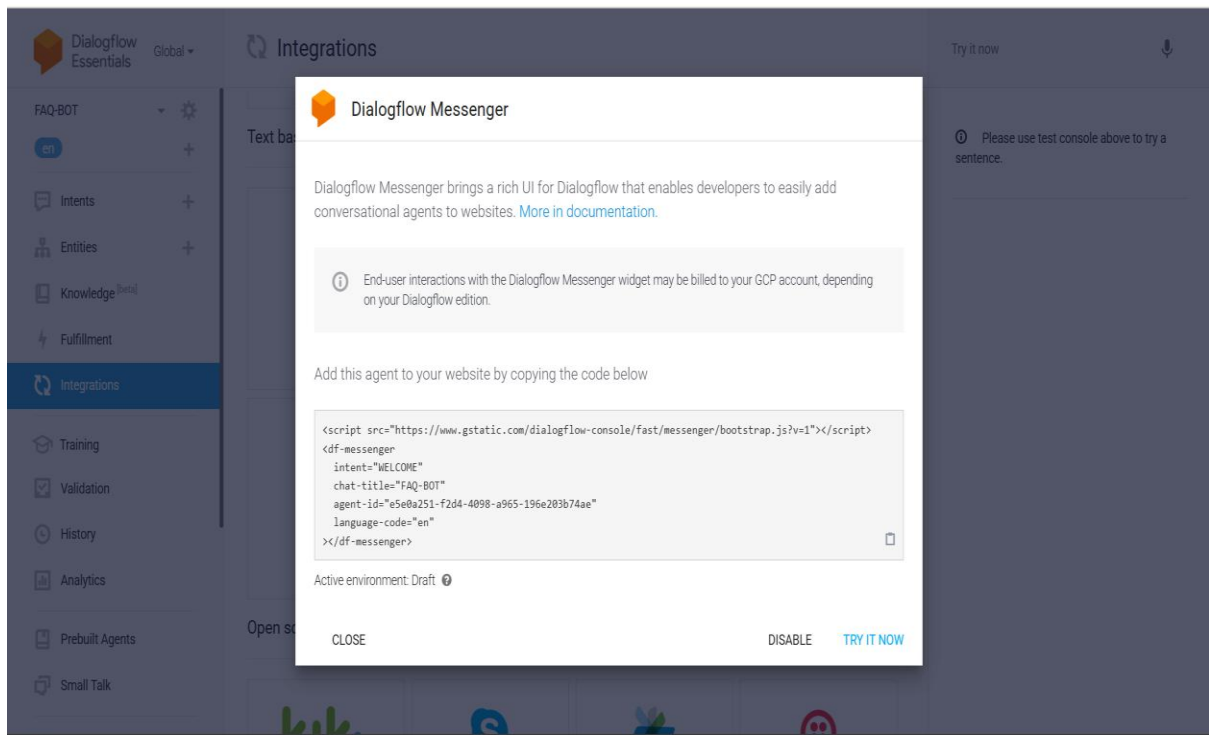

how much duration internship is

can i get certificate

will i get certificate

Am i eligible for internship

## Steps for Setup Chatbot

The screenshot shows the Dialogflow console interface. On the left is a sidebar with navigation options: FAQ-BOT, Intents, Entities, Knowledge (beta), Fulfillment, Integrations (selected), Training, Validation, History, Analytics, Prebuilt Agents, and Small Talk. The main area is titled 'Integrations' and shows a 'Text based' integration. A modal window titled 'Dialogflow Messenger' is open in the center. The modal contains the following text: 'Dialogflow Messenger brings a rich UI for Dialogflow that enables developers to easily add conversational agents to websites. [More in documentation.](#)' Below this is a warning icon and text: 'End-user interactions with the Dialogflow Messenger widget may be billed to your GCP account, depending on your Dialogflow edition.' Then, it says 'Add this agent to your website by copying the code below' and provides a code block with the following HTML/JavaScript code: 

```
<script src="https://www.gstatic.com/dialogflow-console/fast/messenger/bootstrap.js?v=1"></script>
<df-messenger
  intent="WELCOME"
  chat-title="FAQ-BOT"
  agent-id="e5e0a251-f2d4-4098-a965-196e203b74ae"
  language-code="en"
></df-messenger>
```

 At the bottom of the modal, it says 'Active environment: Draft' and has three buttons: 'CLOSE', 'DISABLE', and 'TRY IT NOW'.

**Dialogflow Messenger**

Dialogflow Messenger brings a rich UI for Dialogflow that enables developers to easily add conversational agents to websites. [More in documentation.](#)

ⓘ End-user interactions with the Dialogflow Messenger widget may be billed to your GCP account, depending on your Dialogflow edition.

Add this agent to your website by copying the code below

```
<script src="https://www.gstatic.com/dialogflow-console/fast/messenger/bootstrap.js?v=1"></script>
<df-messenger
  intent="WELCOME"
  chat-title="FAQ-BOT"
  agent-id="e5e0a251-f2d4-4098-a965-196e203b74ae"
  language-code="en"
></df-messenger>
```
